### Missed Lessons

Lessons canceled by the teacher will not be charged. Lessons canceled by the student *in advance* will not be charged. “No show” lessons *will* be charged.

### Materials

Students will need an instrument to practice with at home. Instruments should be brought to school on Thursdays for their lesson. A piano is provided for piano students, but they should still have access to one at home for practicing. Most students may also need 1-2 lesson books. The teacher will assist in deciding which book is best for each student.

### Performances

Approximately 2 performance opportunities a year will be made available to students. These are not mandatory. However, once a student has committed to a performance, their attendance is expected.

### Summer Lessons

Lessons are available throughout the summer. The student will *pay in full for all anticipated lessons* on or before the first summer lesson. This will factor in weeks that either the student or teacher knows they will miss. Any additional missed lessons will be credited to September.
