Our Screenwriting Camp is a great place for rising high school students to stretch their creative writing muscles! Campers will learn about creative writing, and specifically how to create film scripts. By the end of camp, they each will have at least one completed short film screenplay, which may be used in next year's student film festival! This camp is offered as an honors credit to 9th-12th grade StoneBridge students who proceed to participate in the fall 2024 film class.

PERFORMANCES: Unlike most theatre camps, we do not charge admission for any of our performances. We perform in an intimate space to limit technical elements and to keep the focus on the talents of our performers. Final camp performances are FREE, private shows for friends and family members! Seats must be reserved in advance.

GENERAL INFO: StoneBridge Drama is StoneBridge School's theatre program. The program has hosted summer theatre camps since 2011, and is thrilled to offer these camps in the summer of 2024! Whether a camper is a beginner or an experienced performer, our camps are a great place for personalized training and experience. Campers learn about the performing arts and develop their talents in a family-friendly, Christ-honoring atmosphere. Our camps are designed to be more performer-focused, rather than production-focused. Emphasis is placed on a personalized experience; performances are in an intimate space to limit production elements and keep the focus on campers.
